TERRAMAX A/T

SAILUN
TYRE

**NOW WITH 60,000 KM GUARANTEED
MILEAGE WARRANTY**

***CONDITIONS APPLY**

This Limited Warranty/Adjustment Policy provides for tyre replacement under specified conditions. This policy applies to Sailun tyres used in normal highway service (commercial applications excluded) displaying warrantable conditions. Tyres that become unserviceable or wear out because of neglect or mistreatment are excluded from the Sailun Tyres Warranty coverage.

Anti-Stone Trapping Design

Effectively removes gravel; capable of withstanding punctures from harsh pavements and protects the tread from damage.

Staggered Tread Blocks

Can effectively prevent uneven wear to improve off-road performance.

Fine carbon black particles

Highly Dispersed Silica

- High strength performance
- Cut resistant, puncture resistant
- High wear resistance
- High braking performance
- High hydroplaning resistance
- Low rolling resistance
- High elasticity at low temperatures
- High safety performance
- Low heat buildup, long life

Sailun Tires PLT Warranty

Tire Line	Kilometers	Months
TERRAMAX A/T	60,000	28

LIGHT TRUCK TIRES

This Limited Warranty/Adjustment Policy provides for tire replacement under specified conditions. This policy applies to Sailun tires used in normal highway service (commercial applications excluded) displaying warrantable conditions. Tires that become unserviceable or wear out because of neglect or mistreatment are excluded from the Sailun Tires Warranty coverage.

WARRANTY ELIGIBILITY

- This warranty applies to any TERRAMAX A/T tire bearing the Sailun brand name and complete Department of Transportation serial identification number while operated in normal highway use (commercial applications excluded).
- All eligible tires are covered against defects in workmanship and materials under the warranty. Tires are covered by this warranty for the life of the original usable tread depth (The original usable tread is determined by measuring the depth on the tread of a new tire to the top of the treadwear indicator bars molded at 1.6mm) within 60 months from the date of manufacture.
- This warranty applies only to the original purchaser, and is not transferrable to any other party. This time period does not represent the expected service life for tires covered by this warranty.

WHAT IS NOT WARRANTED

Tires that have become unserviceable for the following reason:

- Improper repairs or repairs that have failed will void this Limited Warranty.
- Improper maintenance which can include: improper inflation or other maintenance abuses.
- Improper application or operation such as speeding, improper tire size and/or specification.
- Improper mounting/dismounting procedures, tires/wheel assembly imbalance.
- Mechanical irregularities in the vehicle or wheel, such as bent wheel assemblies, misalignment, worn or faulty components.
- Ozone cracking or failures.
- Accident, corrosion, vandalism, fire or damages caused by contamination from petroleum or other chemical products.
- Tires used in commercial applications such as taxis, shuttle vehicles and couriers.
- Irregular tread wear, rapid tread wear or worn-out tread (beyond the remaining 1.6mm tread depth) is not covered under the Sailun Tires Limited Warranty.
- Road hazard injuries or damages caused by obstacles or debris, such as cuts, punctures (whether repairable or not), snags, bruises, tears, abrasions or impact breaks (whether repairable or not), etc.

ADDITIONAL EXCLUSIONS

- Materials added such as fillers, sealants, balancing substances and external tire treatments. If the added material is the cause of a failure the warranty will be deemed as void.
- Tires submitted for ride disturbance complaints after 1.6mm tread wear.
- Tires purchased as used.
- Tires branded by Sailun Tires which denote special classification at the time of purchase, such as "NA" (non-adjustable), or tires altered by notching or buffing.
- Tires used on vehicles in racing or special applications.
- Tires rendered unserviceable due to snow chains or studs.
- Flat spotting due to improper storage or caused by brake lock.

WHAT IS WARRANTED

Tires that become unserviceable within 28 months from the date of manufacture, for reasons other than those stated above, will be replaced under this warranty.

ADJUSTMENT POLICY

When the original useable tread is worn 1.6mm or less, and a warrantable condition is found, the tire will be reimbursed at 100% of the current Sailun purchasing price. When a tire has worn more than 1.6mm and a warrantable condition is found, Sailun Jinyu Group will reimburse the tire on a prorated basis. Sailun Jinyu Group will multiply the % of leftover usable tread by the current Sailun purchasing price at the time the claim is presented to Sailun Jinyu Group.

Payment = { 1 - (Original useable tread worn / Original usable tread) } X current purchasing price.

Large Serrated Block Design

The serrated block design provides excellent grip and traction performance.

Open Shoulder Design

Improve stability and traction under dry and wet road conditions during high speed cornering.
